GREEN INFRASTRUCTURE PROJECT PRIORITY LIST

DRINKING WATER STATE REVOLVING FUND LOAN PROGRAM

.....
DRINKING WATER STATE REVOLVING FUND LOAN PROGRAM:

In accordance with the provisions of the Safe Drinking Water Act (SDWA) Amendments of 1996, the New Hampshire Department of Environmental Services will hold a public hearing on the American Recovery and Reinvestment Act of 2009 Green Infrastructure Project Priority List.

The hearing will be held in Room 113 of the Department of Environmental Services Building, 29 Hazen Drive, Concord, New Hampshire on Tuesday, June 2, 2009. The hearings will open at **10:00 a.m.** and remain in session until all attendees have been given an opportunity to comment on the project list.

The American Recovery and Reinvestment Act of 2009 is providing funding through the existing State Revolving Fund Loan (SRF) programs. The goal of these funds is to expeditiously fund eligible infrastructure projects that simultaneously will create jobs throughout New Hampshire, promote economic recovery, and generate long-term benefits from infrastructure investment. Due to the need to expedite the process, the Department is abbreviating the public review and comment period for the green infrastructure project priority list. The goal is to maximize funding from the American Recovery and Reinvestment Act of 2009 not only through the SRF programs but other state and federal programs.
